

# NAACP Volunteer Day of Action

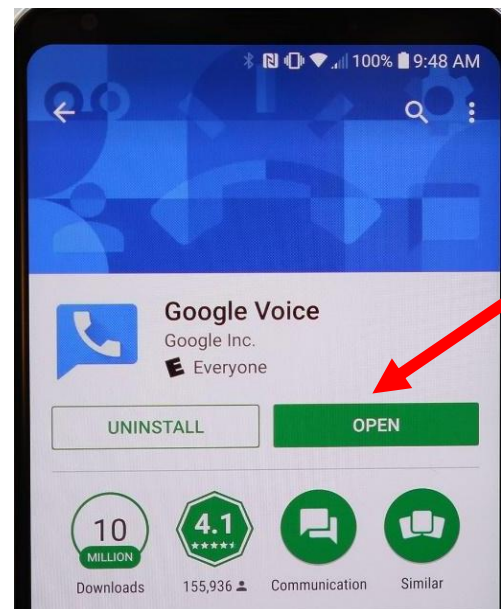

## Google Voice Instructions: ANDROID

What you need to use Google Voice:

- A Google Account (Gmail)
- Computer or mobile phone with internet access (for sign-up)
- U.S. phone number that can forward calls after ringing (iOS or Android)

Setting up Google Voice for Android:

1. On your Android device, download the Google Voice app from the app store or market. Open the Google Voice app when it is done downloading.

Welcome to Google Voice

Text, call, and customize how you communicate  
on all your devices

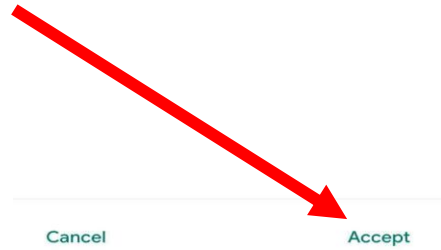

2. Sign-in to Google Voice using your Gmail and password

Sign in

### Terms and Conditions

By continuing, you accept the [Terms of Service](#) and [Privacy Policy](#).

3. Accept the terms and conditions

< Napa, CA

- (707) 492-
- (707) 492-
- (707)
- (707)
- (707) 690
- (707) 681-

4. Next, you have to select a Google Voice number. Tap on the search button and enter a city in the area of where you'll be calling. Tap select next to the number you want to use.

Napa, CA [Show more](#)

You selected  
(707)

To use Google Voice, you need to  
verify existing phone number

Next

Verify your existing  
phone number

Complete this step and claim your  
Google Voice number  
(707)

Don't want to make Google Voice calls with this device?  
Verify your account with a different phone number

Next

5. Now, you have to link your  
Google Voice number to your  
account. Tap on Next at the  
bottom left hand corner.

Enter a number to link

Inbound calls to your Google Voice  
number will be forwarded to this  
number

(555) 555-5555

6. Now, you have to enter your phone number to send  
and receive phone calls. Google will then send you a  
code that you have to enter to verify your account.

Send code

1	2 ABC	3 DEF
4 GHI	5 JKL	6 MNO
7 PQRS	8 TUV	9 WXYZ
+ * #	0	⌫

**Finished!**
